- 2 cups of oat milk or water
- ¼ cup Chamomile tea

Used in this recipe

ACTIVE MANUKA HONEY

Nature's Sweet Superfood

Made by some of the world's healthiest bees* this special blend of Australian Manuka and floral honey is independently tested and certified to contain a minimum of 30mg of Methylglyoxal (MGO), the key compound that makes Manuka so special. The higher the MGO, the more potent the honey's activity.

Delicious Taste

Australia produces some of the most potent, best tasting Manuka honey in the world due to our warm climate and diverse number of Leptospermum (Manuka) varieties.

Capilano's premium, bioactive Manuka honey has a rich, smooth, caramel taste.

Boost your Daily Health Routine

Squeeze the bioactive goodness of Capilano Active Manuka honey into your daily cup of tea, coffee, smoothies, yoghurt or cereal, or simply enjoy by the spoonful.
