Ingredients

- 250g strawberries
- 250g haloumi cheese (sliced into 1-2cm strips)
- 1 tbsp balsamic vinegar
- Sea Salt
- Freshly ground black pepper
- Fresh mint
- Toasted pine nuts (to serve)
- 1 tbsp **Capilano Pure Honey** (plus more to serve)

Method

1. Combine strawberries, balsamic vinegar, honey, salt and pepper in a small frying pan. Bring to medium-high heat and cook the fruit until it has a jam-like consistency (around 5 minutes). Be careful not to squash the strawberries! Remove and set aside.
2. Pre-heat a second pan until it is very hot and place down slices of haloumi cheese. Leave to fry for 2-3 minutes before flipping, then remove once both sides are golden brown.
3. Stack the haloumi and top to serve with the caramelised strawberry mixture, fresh mint, toasted pine nuts and another drizzle of Capilano Honey.
