Method

- 2. In another bowl combine eggs and sugar and whisk until combined. Add the vanilla extract and vegetable oil and whisk again. Gradually mix in the dry ingredients alternating between dry ingredients and buttermilk.
- 3. Pour batter into the lined sheet pan and level the top with a spoon. Bake for 30-35 minutes until an inserted skewer comes out clean. Remove from oven and set aside to cool completely before icing.
- 4. To make the icing, place cold butter and choc honey in the bowl of a stand mixer. Mix on medium until the butter and choc honey have combined and are light and fluffy, about 8-10 minutes.
- 5. Spread on top of the cake and scatter sprinkles over the top. Refrigerate until ready to serve. Remove from fridge 15 minutes before serving.
