- 150ml pure cream
- 1 ½ cups (375ml) cups full cream milk
- 1 tbsp **Capilano Pure Honey**, plus extra to serve
- ½ tsp cinnamon, ground
- 1 tsp vanilla extract

Method

2. Turn stovetop heat to medium-low and gently stir oats for 10-15 minutes until thick and creamy. For best results, leave mixture a little loose as it will thicken while it rests.

3. Divide into bowls and top with an extra swirl of Capilano Pure Honey, or Capilano Active Manuka Honey. Add a splash of extra cream, berries and banana if desired.

4. TIP - leftover porridge can be stored in an airtight contained and chilled for up to 2 days. Simply add back to saucepan with additional milk to recreate creamy texture.
