- 1-2 tbsp Capilano Honey
- 1 tbsp extra virgin olive oil
- 500g kent or butternut pumpkin, peeled, de-seeded and cut into 3cm pieces
- 1 large carrot, peeled and chopped into thirds
- ½ brown onion, quartered
- 1 tsp crushed ginger
- 500ml vegetable stock
- 2 sprigs continental parsley, to serve
- 2 tsp dukkah, to serve
- 2 tbsp plain yoghurt, to serve

## Method

1. Preheat oven to 180°C. Toss the pumpkin in honey, olive oil, salt and pepper, then transfer to a large roasting dish. Place carrot and onion on a separate tray and drizzle with olive oil until coated, then season with salt and pepper. Roast vegetables for 35-45 minutes until the pumpkin and carrot are soft and caramelised at the edges.
2. Transfer vegetables to a soup pot and add ginger and stock. Ensure the vegetables are completely covered with liquid, adding boiling water on top if required.
3. Place pot on medium heat and bring to a simmer. Reduce heat to medium low and simmer for 10 minutes, remove from heat and then blend the soup to a puree using a stick blender.
4. Divide between two bowls and top with a swirl of yoghurt, dukkah and continental parsley to serve.
