Used in this recipe

### Pure Honey

Smooth, sweet and perfectly balanced, generations of Aussies have grown up with Capilano Pure Honey. Made by Aussie bees and hand harvested by their beekeepers, our signature blend of eucalypt and ground flora honey is the taste of Australia.

Make the Sweet Switch

Honey tastes twice as sweet as sugar, so you need less in your baking, drinks and savoury recipes. Learn more about how to swap Capilano for sugar in your recipes [here](#).

## Method

1. In the bowl of a stand mixer (or using a bowl and hand mixer) combine the coffee, honey and water. Turn the mixer on low and mix for 30 seconds until the coffee has dissolved. Increase speed to high and beat until mixture become foamy and then smooth and glossy with stiff peaks.
2. To serve, divide milk between two glasses filled half full of ice. Top with honeyed coffee foam and serve immediately with a straw.
