- 4 eggs, boiled
- 4 bacon mid-rashers
- 2 tsp [Capilano Organic Raw Honey](#)
- Chives, to serve
- Tomato chutney, to serve (optional)

Method

2. While eggs are boiling, toast crumpet squares until golden, and then place on an oven tray and sprinkle with cheese. Grill for 2-3 minutes until bubbly and golden.

3. While crumpets are grilling, cook bacon in frypan. Once nearly cooked, swirl through the honey and allow to bubble for 30 seconds to create a sweet glisten.

4. To serve, chop crumpet squares into soldiers, slice the top of the boiled egg and plate with bacon, chives and (optional) chutney. Add an extra squeeze of honey over the bacon for an extra sweet salty burst of flavor.
