Australian Certified Organic

This exceptional honey has been hand harvested by Aussie beekeepers from hives located within a 5km organic foraging radius and carefully packed to organic specifications.

Make the Sweet Switch

Honey tastes twice as sweet as sugar, so you need less in your baking, drinks and savory recipes. Learn more about how to swap Capilano for sugar in your recipes [here](#).

Method

1. Preheat oven to 150°C (fan-forced). Line a large roasting pan with foil then baking paper. Combine honey, orange juice, ginger, cinnamon and cloves in a small saucepan. Bring to the boil over medium heat. Cook for 15 minutes or until mixture thickens and reduces to 375ml (1 ½ cups).
2. Use a sharp knife to cut around the ham shank, about 10cm from end. Run the knife around the edge of the ham. Gently lift rind off in 1 piece by running your fingers between the rind and fat. Score the fat in a diamond pattern.
3. Place the ham in prepared pan. Wrap shank in foil. Brush glaze over ham to evenly coat. Bake, brushing with the glaze every 15-20 minutes, for 1 hour 30 minutes or until golden and warmed through.
4. Cover loosely with foil and set aside for 30 minutes to rest. Transfer the ham to a serving platter. Carve and serve.
