Used in this recipe

Organic Raw Honey

Smooth, sweet and fragrant, Capilano Organic Raw Honey is made by Aussie bees that have foraged native eucalypt and ground flora in Australia's pristine national parks and forests.

Discover a Premium Taste

Perfectly pure, this honey is delicious drizzled on toast, cereal, tea, smoothies and yogurt.

Australian Certified Organic

This exceptional honey has been hand harvested by Aussie beekeepers from hives located within a 5km organic foraging radius and carefully packed to organic specifications.

Make the Sweet Switch

Honey tastes twice as sweet as sugar, so you need less in your baking, drinks and savory recipes. Learn more about how to swap Capilano for sugar in your recipes [here](#).

Method

2. Divide the mixture evenly between the icy pole moulds and insert a paddle pop stick. Optional: Add additional fresh strawberry slices for decoration.
3. Place in freezer for 4 hours or overnight until set hard.
4. To remove icy poles, run them under warm tap water until small bubbles start to form and they release easily from the moulds.
